

# UB/National Grid Camp

A 4-DAY ENGINEERING WORKSHOP

For students interested in STEM careers and entering their sophomore or junior year in high school

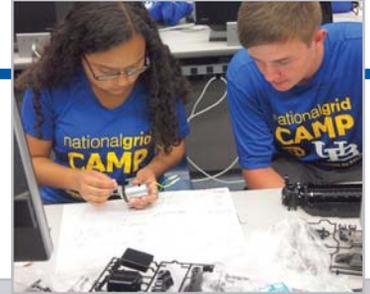

nationalgrid  
**CAMP @ UB**

Sophomores and Juniors do STEM

**Monday-Thursday,  
August 1-4, 2016**  
**UB North campus**

## WORKSHOP INCLUDES

- Demonstrations and hands-on activities in engineering design
- Team-building and leadership skills
- Lab and computer exercises
- Field trips and recreational activities
- Experience UB campus life

Application deadline date is Friday, May 27, 2016.

Students are to be nominated for this program by a school representative. The criteria for participant selection are strong science and mathematical ability, and an interest in a career in STEM. We are especially interested in students from groups that are under-represented in STEM professions. Two entering sophomores and two entering juniors from each high school may be recommended.

There is no tuition for this program. A \$60 non-refundable deposit is required to reserve the student's place. Each student will receive a certificate at the completion of the program.
