Girls Saturday Academy  
Girls in 7th - 9th Grades  

The Girls Saturday Academy was created as an effort to increase the interest of underrepresented (African-American, Hispanic, and American Indian) young women in pursuing Science, Technology, Engineering and Math careers. The Girls Saturday Academy will explore engineering and other technical careers related to STEM fields. Programming will include both computer-based and hands-on activities, field trips, and guest speakers from the industry.

When: Every other Saturday during the school year beginning September 26th. UB South Campus, 202 Diefendorf Hall

Time: 9:30a.m. - 11:30a.m.

Cost: This is a FREE program
2015-2016 National Grid Girls Saturday Academy
Deadline for Application: September 18, 2015

It is recommended that girls applying for the BEAM program have an interest in engineering and/or other technical fields, and enjoys learning about Math and Science.
