

Info Session for Co-op

The **CBE department** is holding two info sessions about our Co-op program, that gives you the opportunity to gain meaningful work experience in your field before you graduate.

A Co-op is the best way to immerse yourself in professional work and apply what you are learning and experiencing to your CE coursework. Thus, we highly encourage you to consider this great opportunity!

What is Co-op?

Co-op, short for Cooperative Education, is a program that allows students to alternate academia studies with **relevant paid work experience prior to graduation.**

Want to learn more about our CBE Co-op program? Come to **one of our Co-op Info Sessions:**

Date and Time

DAY 1: Monday Oct 15
Time: 10AM - 11AM
Location: Furnas 503

DAY 2: Wednesday Oct 17
Time: 12PM - 1PM
Location: Furnas 207

If you are unable to attend one of the sessions above you can still learn about the Co-op experience by contacting Dr. Lupion.

How Co-op works?

Students attend classes full-time in their freshman and sophomore year. Depending on the co-op option, they can participate in the co-op experience either in the **Spring** or the **Fall** semester. Students will take one course over the summer break to qualify for the next semester.
