I certify that I have read and will comply with the time requirement for Independent Study.

(Date)

(Signature of Student)

I agree to supervise:

(Printed Name of Faculty Supervisor)

(Date)

(Signature of Faculty Supervisor)

Approved: _____
(Director of Undergraduate Studies)

(Date)

Submit signed form & written plan to EE Office for registration.

The Written Undergraduate Research Plan

Prepare a written research plan for the Instructor who will supervise the research. The written plan must be word processed and spell checked. Such a written plan is typically one to three pages. Describe the project in terms of objectives, methodology, planned activities, and expected outcomes.

Return the EE 498 Request Form with approval signatures and the written research plan to EE Office for registration.

YOU SHOULD COMPLETE & SUBMIT WELL BEFORE REGISTRATION PERIOD ENDS. IT IS ESSENTIAL TO HAVE THE WRITTEN APPROVAL OF THE INSTRUCTOR.
