

Exit Survey Questions for UB Engineering Graduate Students

PURPOSE: To obtain your viewpoint in order to help improve our graduate programs and to assess the effectiveness of our graduate programs.

INSTRUCTIONS: Check appropriate response when list of choices is provided. Comments can be added at end of survey.

Degree Program:

- 1) Which degree program were you in? MEng MS PhD
- 2) Which department? BME CBE CSEE CSE EE Enviromental Sci ISE ME
- 3) Enter subfield (if applicable) within department: _____

Employment:

4) If already employed while receiving your degree, enter the name and location of employer: _____

5) If, upon completion of your degree, you have accepted a job offer, enter the name and location of employer: _____

If no job offer, skip to question 9.

6) What is your starting salary? < \$30,000 \$30-34,999 \$35-39,999 \$40-44,999 \$45-49,999
\$50-54,999 \$55-59,999 \$60-64,999 \$65-69,999 \$70-74,999 \$75-79,999 \$80-84,999 \$85-89,999
\$90-94,999 \$95-100,000 > \$100,000

7) How many job offers did you receive? None One Two Three > *Three*

8) Are you satisfied with the job offers that you received? Yes No Somewhat

9) How many interview opportunities did you have? None One Two Three > *Three*

Program Satisfaction:

10) How did the program you just completed help you with these objectives? Please respond on a scale of 1-5 (1 being lowest, 5 being highest), in each category by placing an X in the appropriate column for each question.

Objective	LEVEL OF ACHIEVEMENT				
	1 Low	2	3	4	5 High
Ability to conduct professional practice (only for Master of Engineering students)					
Ability to conduct independent research (only for Doctoral students)					
Ability to conduct research and/or professional practice (only for Master of Science students)					
Ability to communicate effectively (for all students)					
Ability to understand fundamental principles of field (for Master of Science and Doctoral students)					
Ability to publish in a peer-review venue (for Doctoral students)					

11) Please respond on a scale of 1-5 (1 being lowest, 5 being highest) in each category by placing an X in the appropriate column for each question.

	LEVEL OF SATISFACTION				
	1 Low	2	3	4	5 High
Quality of program					
Quality of advisement					
Availability of facilities & infrastructure					
Intellectual enrichment					
Quality of campus life					
Financial support opportunities					
Educational value					
Career Services and Placement					

12) How helpful was your department's website during your graduate studies?

Very helpful Somewhat helpful Not helpful

13) Would you recommend UB Engineering to someone else? Yes No

14) Based on your experience, what can UB Engineering improve upon?
