

Career Discovery Series:

Conversations with SEAS Alumni

In this series, we will highlight prominent SEAS alumni that pursued unique career paths. The format will be a moderated question and answer conversation and will illustrate the variety of ways you can use your UB SEAS degree.

Jordan Walbesser

February 23, 2021

Jordan is a toy lawyer (in-house counsel) for Mattel where he handles legal issues in strategic development, apps, and gaming. He has degrees from UB in computer engineering and law. He is active in the Buffalo entrepreneurial community and also serves on the UB Engineering Alumni Association Board.
