

## Important Dates

Last Day to Resign a Course

**April 17**

Spring Recess

**March 16 - March 21**

## Off-Campus Events

**March 8 | 11:00am-4:00pm | Niagara Aerospace Museum**

### **Women of Aviation**

Help us celebrate the 110th anniversary of the first woman to earn a pilot's license! Learn about women in aviation history, participate in a registered Guinness World Record Event: **The Pink Paper Plan Challenge**, and much more!

For admission pricing and more information, see attached [flyer](#)!

**April 11 | 11:00am-4:00pm | Niagara Aerospace Museum**

### **Apollo 13 50th Anniversary Puzzle Event**

Apollo 13 was one of the greatest problem-solving feats in NASA history. Help us commemorate this harrowing mission with a hands-on, puzzle challenge day!

For admission pricing and more information, see attached [flyer](#)!

## Summer Internship Opportunity

### **Quality Assurance Engineer Intern | Cree Lighting**

Cree Lighting is an LED lighting pioneer known for being first – first to bring LED lighting to the masses, first to deliver no compromise white light, and first to offer a sensor-integrated intelligent lighting platform with the push of a button.

In this role, you will be part of the Quality Assurance Team supporting the Product Quality, Supplier Quality and Quality System.

For additional information, visit the [official job posting](#).

**FEB**  
**10**  
**2020**
