Fall Registration

Advisement & Registration

If you have Advising & Registration questions, make sure you are checking out the [MAE Website](#) first. Here you will find information regarding the MAE Advising Structure, Registration Issues, Force Registration, and MAE Technical Elective.

MAE 451 Registration

New Pre-reqs have been added to MAE 451. If you are missing these pre-reqs but are on track to graduate prior to Fall 2019, we can force register you. Once your registration window opens (not before), fill out the [force registration form](#).

MAE 451/494 Co-Registration

All students who are registered for MAE 494 as a co-req to MAE 451 will be registered for the MWF 11:00-11:50 section of MAE 451 (section A). In order to ensure we will have enough seats, we will be force registering you for both MAE 451/491. To be registered, you will need to [fill out the form here](#).

Dear Engineering Students & Computer Scientists,

This is a great program to learn the skills of Salary Negotiation.

WHAT: Salary Negotiation skillshop – AAUW Start Smart Salary Negotiation for students program

DATE: Tuesday, April 10, 2018, (Equal Pay Day <https://www.daysoftheyear.com/days/equal-pay-day/>)

TIME: 12:00-2:00pm (this is a 2 hour program, come for as much of the program as your schedule allows)

WHERE: 259 Capen Hall, North Campus, UB Career Services office

WHY:

Don't lose a million dollars over your lifetime.

You've probably heard that men are paid more than women are paid over their lifetimes.

But what does that even mean?

In this 2 hour session, you will learn concrete strategies for evaluating and negotiating for a salary that is compensatory with your value!

On Equal Pay Day learn how to negotiate by...

- Knowing what the wage gap means to you
- Determine what your salary & benefits should be
- Develop a personal budget to determine your minimum acceptable salary
- Practice salary negotiation skill-building exercises

RSVPs welcomed: https://buffalo.joinhandshake.com/events/143713/share_preview
