**Important Dates**

- Last day of classes: Dec 8
- Final Exams: Dec 11-18
- Winter break: Dec 19
- Winter Session begins: Jan 4

**Information Sessions**

**Buffalo Manufacturing Works Internships**

**Nov 29 | 126 Bonner Hall - SMART Motion Lab**

Here is how to boost your competitive edge: student opportunities to work with Buffalo Manufacturing Works. Buffalo Manufacturing Works (BMW) plans to expand to 40 engineers in the next 5 years AND previously hired one of its UB interns then recruited additional UB interns. Now, BMW is looking for more. Hear from BMW staff and hiring managers about how you can gain real-world experience in Automation, Additive Manufacturing (3D Printing) and Materials & Testing through paid internships, senior design projects and real-time problem solving. Space is LIMITED. See attached. [Register](#).

**UB Graduate Information Sessions**

**Nov 28 | 1 Capen Lobby**

This is your chance to discover opportunities within our graduate and professional schools, learn more about the application and admissions processes, and gain insight on how to prepare for graduate study. Representatives from all UB graduate school programs will be on hand to provide you with the information you need and to answer your questions. Refreshments will be provided. [Learn More](#).

**2018-19 Western New York Prosperity Fellowship Program**

**Nov 29 | 5:00 pm | 220 Student Union**

The Western New York Prosperity Fellowship is a truly innovative program for college students with an entrepreneurial drive who want to make a difference in Western New York. Seeking Rising Juniors, Seniors, and Graduate Students. Additional dates available. See attached.
