REQUEST TO ENROLL IN:

- BE 597 – MS Project**
- BE 599 – MS Thesis**
- BE 699 – PhD Dissertation**

In order to enroll in credits for Master’s Project (BE 597), Master’s Thesis (BE 599), or PhD Dissertation (BE 699), you must turn in this completed form with required signatures before the first day of classes of the semester which you are requesting to enroll. You will need to work with your Faculty Advisor to complete this form, and an approval signature from your Faculty Advisor is required. This form should be submitted to the Academic Coordinator. Failure to complete this form means you will not be enrolled in BE 597, BE 599, or BE 699. The Academic Coordinator will send a notification to you when you have been enrolled in the course.

Student's name: _____
Last Name First Name Middle

Person number: _____ **Student Email address:** _____

Semester _____ **Year** _____ **Name of Faculty Advisor:** _____

Course for Registration:

When determining how many credit hours the course will be for (1-6 credits for thesis, 1-3 credits for project, or 1-12 credits for dissertation), please note that each credit hour is considered approximately 3 hours of work each week for 15 weeks, so approximately 45 total hours worked per credit earned. Please indicate the course and number of credit hours you are requesting to enroll in:

- _____ **BE 597** (MS Project) → **Credit Hours** _____
- _____ **BE 599** (MS Thesis) → **Credit Hours** _____
- _____ **BE 699** (PhD Dissertation) → **Credit Hours** _____
